

Site Safety

Waste & Recycling facilities are busy places.
Follow these suggested safety tips to ensure an incident free visit.

Know & Follow
the rules of the facility.

Park in Designated Areas Only
& Set Your Parking Brake.

Wear Your PPE
on site.

ALWAYS
Know Where Your Helper Is.

ALWAYS
Check for Overhead Obstructions
Before Advancing to Area OR
Raising Your Tailgate.

Remain in the Cab
Unless Otherwise is Required.

DO NOT USE
Cellular Devices While On Site.
